PROPOSED AIRSPACE UNDER ALTERNATIVE 3 (PREFERRED ALTERNATIVE)

Airspace Modifications

- Implement all changes under Alternatives 1 and 2
  - Slight expansion of Fallon airspace beyond current northern boundary
  - Reorganize airspace blocks
  - Redefine airspace ceilings and floors
  - Establish new airspace
- Create new restricted area (R-4805) south of existing restricted areas (R-4804 A/B and R-4812) to overlay reconfigured land withdrawal for Bravo-17

Restricted Airspace under Alternative 3
