

The U.S. Navy
INVITES YOU TO PARTICIPATE
in the Fallon Range Training Complex Modernization
Environmental Impact Statement Public Involvement Process

The U.S. Navy has prepared a Draft Environmental Impact Statement (EIS) to assess the potential environmental impacts of the proposed modernization of the Fallon Range Training Complex. Modernization would include: 1) renewal of the Navy's current public land withdrawal, 2) land range expansion through the additional withdrawal of public lands and the acquisition of non-federal land, 3) airspace expansion and modifications, and 4) upgrades to range infrastructure. The proposed modernization would provide more realistic training capabilities while maintaining the safety of local communities.

Public Involvement

The Navy welcomes your review and comments on the Draft EIS. Comments will be accepted during the public meetings, online at the website address below, or by mail to:

Naval Facilities
Engineering
Command Southwest
Code EV21.SG
1220 Pacific Highway
Building 1, 5th Floor
San Diego, CA 92132

Comments must be postmarked or received online by Jan. 15, 2019, for consideration in the Final EIS.

Public Meetings

Each meeting will include informational poster stations, a brief Navy presentation starting at the beginning of the second hour, followed by a public oral comment session.
