

ENVIRONMENTAL RESOURCE AREAS FOR ANALYSIS

The Navy welcomes public input on the environmental issues to be addressed in the Environmental Impact Statement.

THE NAVY WILL ANALYZE THE POTENTIAL IMPACTS ON THESE RESOURCE AREAS:

- ▶ Air quality/climate
- ▶ Airborne noise
- ▶ Biological resources
- ▶ Cultural resources, including Native American traditional resources
- ▶ Grazing
- ▶ Land use and recreation, including off-highway vehicles
- ▶ Minerals and mining
- ▶ Public health and safety
- ▶ Socioeconomics and environmental justice
- ▶ Soils
- ▶ Transportation
- ▶ Water resources and quality
